*See if they understood it. The more details they have the more marks you give them. Be generous and prompt them*

**Umar ibn Khattab (May Allah be pleased with him) said: As we were sitting one day, with the Messenger of Allah ﷺ a man suddenly appeared. He wore pure white clothes and his hair was dark black - yet there were no signs of travel on him, and none of us knew him. He came and sat down in front of the Prophet ﷺ placing his knees against his and his hands on his thighs. He said, "O Muhammad! Tell me about Islam."**

**The Messenger of Allah ﷺ replied, "Islam is to bear witness that there is no god but God and that Muhammad is the Messenger of God; and to perform the prayer; pay zakat; fast Ramadan; and to perform Hajj to the House if you are able.**

**The man said "You have spoken the truth" - and we were surprised that he asked and then confirmed the answer! Then he asked, "Tell me about belief (iman)."**

**The Prophet ﷺ replied, "It is to believe in Allah; His Angels; His Books; His Messengers; the Last Day; and in Qadr (destiny) its good and bad."**

**The man said, "You have spoken the truth. Now, tell me about Ihsan."**

**The Prophet ﷺ replied, "It is to serve Allah as though you see Him; and if you don't see him, (know that) He surely sees you."**

**"Now, tell me about the Last Hour (the Day of Ressurrection)" asked the man.**

**The Prophet ﷺ replied "The one asked knows no more of it than the one asking." "Then tell me about its signs" said the man.**

**The Prophet ﷺ replied, "That slave women give birth to their mistresses; and that you see barefoot, unclothed, sheperds (Bedouins) competing in the construction of tall buildings."**

**Then the visitor left, and I waited a long time. Then the Prophet ( ﷺ) asked me, "Do you know, Umar, who the questioner was?"**

**I replied, Allah and His Messenger know best. He (may Allah's peace be upon him) said "It was Jibril. He came to you to teach you your religion."**

○ Believing in Allah alone is called Tawheed. There are three parts:

knows that Allah is the Lord, The Creator that he worships him now alone

## Hadeeth

---

They must read all the hadeeth that they have memorised up to a maximum of 6. They should read it in Arabic, then its meaning in English.

They may know less, so only give them points for the ones they know and give them zero marks for any less than 6.

The marking scheme is as follows:

With the Arabic

- See if they have memorised it. That will give them 5 points.
- See if they are **generally free** of mistakes. This will give them 3 points
- See if they do not require **regular** prompting. This will give them 2 points

With the English

- See if they explain it clearly and that they have understood it—5 points
- See if they do not miss any **major** detail
